1) Completed, Signed & Notarized Certification

The Certification Form sent to CSC must contain original signatures. Copies of signatures or stamps will cause the form to be rejected. In addition, when the notary fills out his/her section of the Certification form in the field that comes right after "before me personally came", be sure the notary enters the name of the person who is signing the Certification Form. This is a common error that can cause the Certification to be rejected.

2) Completed & Signed Remittance Advice Request form

Section D of the Remittance Advice Request Form must be completed by an authorized provider representative.
